ADVANTAGES OF CLINELL[®] BEDBATH

- Simple rinse free bathing solution designed for cleaning and moisturising the body in one easy step.
- Can be used at room temperature or placed in a microwave - allowing for a warm bed bath in seconds.
- Individual patient packs for reducing cross contamination.
- Quick and easy to use replacing the need for cumbersome traditional methods including preparing bowls, washcloths, soap, lotions and water and requires no towel drying. This in turn decreases waste and increases staff compliance.
- Cost effective - reducing laundry bills and nursing time.
- Reduces risk of lifting and carrying heavy bowls of water and risk of slipping on wet floors.
- Contains aloe vera and added moisturisers to promote healthy soft skin.
- Patented formula developed by medical doctors.
- Skin neutral pH of 5.5.
- Dermatologically tested.
- Alcohol and lanolin free.
